MML Partners with The Worcester County Child Advocacy Center to Gather Donations at Summer Conference in Ocean City

(June 25, 2025) Annapolis, Md. – The [Maryland Municipal League](https://mdmunicipal.org) (MML) is proud to partner with The Worcester County Child Advocacy Center (CAC), which consists of collaborating agencies that aid child victims and their families during investigations providing medical and mental health treatment programs, supporting victims by advocating for legal action against child abuse perpetrators. CAC also works to prevent child abuse through proactive initiatives to improve awareness, educate, and inform the community of potential maltreatment of children.

As part of an ongoing mission to lift the communities where MML gathers, the League encouraged members to support CAC at this year's summer conference by donating items in need. MML also made a financial donation to The Center. The donations were presented to CAC's Matt Crisafulli, Vice President of the Board, at Tuesday's Closing General Session.

“The work you do is key to our mission of creating stronger outcomes for Marylanders- especially the future generations we all play a role in raising,” remarked outgoing MML President Michael O’Connor, Mayor of Frederick.

About The Maryland Municipal League:

The Maryland Municipal League (MML) was founded in 1936 and serves as the collective voice of 161 municipal governments and the 2 million Marylanders it represents. A voluntary, non-profit, nonpartisan association controlled and maintained by city and town governments, MML works to strengthen and support municipal government through advocacy and the development of effective leadership. Through its membership in the National League of Cities MML offers legislative representation in Washington, urban research programs, and a national municipal government information exchange. MML is the only statewide organization in Maryland composed solely of municipal officials and devoted to the promotion of all branches of municipal administration.
