

# JUST ANNOUNCED

## LEAGUE LUNCH & LEARN WEBINAR

### Who Is The League?

The Maryland Municipal League is a statewide, nonpartisan organization representing 161 incorporated cities and towns and three special taxing districts. But our work is about far more than representation—it's about the people who call these communities home and the local leaders and workers who serve them every day. Services go beyond Town Hall's and so does our reach.

### Police Departments

Neighbors protecting neighbors, standing on the front lines to keep our communities safe.

93

### Water Systems

Quietly working around the clock to deliver clean, safe water families can trust.

78

### Wastewater Systems

Protecting public health and the environment by meeting state requirements and safeguarding Maryland's water.

140

### Refuse Collection Services

The essential work that keeps our neighborhoods clean, healthy, and livable.

11

### Regional Districts in Maryland

Regionally based communities of municipal leaders who come together to share experiences and work side by side to solve the challenges facing their communities.

8

### Professional Staff Departments in Maryland

Each owning their field, these leaders gather to share insights and more.

### Where Do You Come In?

Your message. Your solution. Your partnership. Strong communities don't happen by chance—they're built through shared purpose and trusted relationships. To serve residents at the highest level, we rely on businesses, associations, and experts who bring insight, innovation, and experience. Our members are always looking ahead, and through your partnership, they gain guidance, build lasting connections, and turn solutions into real impact.

### Join The Conversation

Please mark your calendar for Monday, February 9 at 12:00 p.m., when League leadership and staff look forward to welcoming you and sharing who we are. You'll hear about upcoming events, opportunities to speak, and meaningful ways to share your solutions with the communities we serve.

At the heart of this gathering is connection. Our hope is to bring you together with the people leading Maryland's municipal governments—neighbors serving neighbors. As a trusted expert, your knowledge and resources reach far beyond our walls, and together we can help turn that expertise into real, lasting impact for our communities.
