MML Municipal Achievement Awards

The MML Municipal Achievement Awards are awarded annually to cities and towns that have successfully implemented policies and programs that advance good governance and the well-being of our communities.

This year the Award winners will be recognized at the Excellence in Leadership Fall Conference, November 6-8 at the Hyatt Regency Chesapeake Cambridge. Municipalities will be recognized in four areas of governing excellence:

Community Engagement

- Any service, activity or event that increases the connection between the municipality and its constituents

Sustainability

- Any policy or program that makes your municipality more resilient to climate change and/or improves the physical environment within and surrounding your community.

Diversity/Equity/Inclusion

- Any policy or program that supports a diverse and inclusive community and/or enhances race equity.

E-Government

- Service delivery using information and communication technology
- Service's objective should be to enhance the public's online experience with the municipality

Submission Guidelines

Achievement Award submissions must include (a) project/program description, (b) how it meets award category requirements, (c) what makes it a best practice, (d) how results are measured, and (e) how this best practice can be replicated in other municipalities. Photos, to be used in creating one-minute videos highlighting Award winners, must be included as part of each submission. Failure to address these five requirements and/or include photos will disqualify your entry.

All award submissions must be sent to tomr@mdmunicipal.org as an attached PDF file and received by MML no later than 12:00 p.m. on Wednesday, September 25, 2024.
