2025 MMA WINTER CONFERENCE

March 6-7, 2025

Governor Calvert House

Annapolis, Maryland 21401

ABOUT US

The Maryland Mayors Association (MMA) is the direct connection between the 160 local governments in Maryland and the 2 million Marylanders our Mayors serve. The Mayors convene each year at an annual winter conference in order to better serve their constituents through education on emerging issues, advocacy efforts and engaging state leaders. The event is always a highly sought after opportunity to connect directly with leaders such as Governor Moore and other administration officials, who have been invited to participate.

The Annual Winter Conference is the organization's sole sponsorship opportunity each year. This high-profile event is a two-day intensive of workshops and networking, and is closed to the public.

Details include:

- Held in the State Capitol of Maryland, the MMA has historically enjoyed a first night reception hosted by the Governor at Government House.
- Intimate setting to connect directly with local Mayors one on one and in small group settings.
- Advocacy Day will be opened to all Maryland elected and appointed local leaders.
